- 2. Creativity and originality
- 3. Quality of composition and design
- 4. Overall impression (the effect of the project as a whole, often based on the first glimpse of the finished piece).

All mediums of art are accepted.

Entries must arrive by 8:30 and must be original to the participant.

Each entry must bring a 3x5 card attached to the back with the following:

- name
- city of artist's home

This card will be revealed and posted for all to see once the judges have determined the winner.

When submitting your artwork your cell number will be requested in order to reach you with results. (Cell service is not good within the park, so please listen for your name when winners are announced, or check in the community building for results.)

If you would like for your piece of art to be available for the public to purchase, please put a visible price tag on your work. Buyers can pick up purchases at 4:00.

Because this is our first year, we do not know how many entries to anticipate. If a piece of art is too big to comfortably fit inside the building; please take into consideration that it might be displayed outside.

Thank you for your interest in the world of art!
