

****Attention Newberry Springs Residents:****

The Newberry Springs Fire Department and Newberry Community Services District (CSD) are calling on you for your insights and ideas!

****From April to June 2026, we're pursuing grants for the North Property****, which is pivotal for our community. Each grant could amount to up to \$8 million, and we have three key projects in mind:

1. ****SPP Grant for a Community Park****
2. ****Extreme Heat Community Building/Cooling Hub Project****
3. ****CRC Emergency Operation Center for the Fire Department****

****Location Reminder:**** The "North Property" is situated at the intersection of Newberry Rd and Mendocino Rd, between Valley Center and Palos Verdes Rd. This 20-acre site has been on Newberry CSD's radar since 2021. In 2024, the Fire Department advocated for the purchase of this property, and it was officially acquired by the NCSD in 2025. Plans for this site include a Civic Hub, CSD Community Building, Fire Department facilities, and a Park Gymnasium, all envisioned as an extension of our existing park located at 30884 Newberry Rd.

****We need your input!**** Community surveys regarding the North Property are available on our CSD and Fire Department websites, at our offices, or we can send them directly to you via email or text.

****Your voice matters!**** Please share your thoughts on what you'd like to see on the North Property. Time is of the essence—we have less than 30 days to gather your feedback.

****PLEASE! Join us for our next NCSD Special Meeting on Wednesday, May 6, 2026.****

Thank you for your continued support and engagement in shaping our community's future!
