General Manager Report July 28, 2026

1. 3rd of July was a great success! We had 21 Vendors, Inflatable games for the kids, a DJ and photobooth. The fireworks show went great and had no issues. I would like to thank our Fire Department and our neighboring Departments for always supporting us. Also, a big thank you to all who donated their time and money to help with this event.
2. Some Park improvements were made, leading up to the July 3rd event. New swings were installed on the playground, most of the wood was replaced on the benches and all of the benches were painted, the handicap stripes on the brick wall were painted, the dirt pile was removed from the ballfield, and the park was graded along with the parking area across the street. The work was done by volunteers so there was no cost for labor.
3. Clark pest control has set up bait boxes for the rodent issue; they will check them and refill them monthly. They said the issue is coming from the station 1 garage and they are entering into the kitchen through the attic. He suggests we try to fill any holes and cracks, or they can do it for a fee.
4. Reminder NCSD has 3 Director seats up for election on November 3, 2026. The candidate filing deadline is August 7, 2026. For more information, please contact the office or visit our website Newberrycsd.net
