Subarea Advisory Committee Election Ballot Baja Subarea

The Subarea Advisory Committee nominations received by the Watermaster for your Subarea are listed below. Each Subarea Advisory Committee will consist of five elected advisors. The number of votes you are entitled to is calculated by multiplying your Base Annual Production Right by the number of advisors to be elected for your Subarea. The total number of votes that you are entitled to is calculated below. You may distribute your votes as you wish among the candidates. Please be sure that the sum of all your votes equals the total number of votes allowed.

You or your authorized representative must sign the ballot. Only signed ballots received on time will be tabulated. **Completed original ballots must be received at the Watermaster's offices no later than 4:00 p.m., Friday, March 16, 2018.**
