General Manager Report August 25, 2026

1. Kickball Tournament planning is underway; this includes purchasing 15 bags of field chalk and 6 replacement kickballs. Our tractor is also being serviced with a new battery, fluid changes, and a tune up to cut down costs of park maintenance. The pistachio farm festival will be a two-day event this year on November 7th & 8th. The Chamber of commerce will be renting the grounds from us again, matching last year's arrangement.
2. The Letter of Intent sent to Cadiz on July 30th is currently under review by their team. I am waiting for their formal response.
3. We have ordered Starlink internet for the CSD office, the cost is \$85.00 a month. This will save us approximately \$73.00 a month.
4. Most of the month's work has been dedicated to our Audit, gathering bank statements, credit card statements, receipts, invoices, and coordinating with our Auditor.
