

## **CSD Luncheon 8/9/17**

Newberry Springs will get about 25 miles of road improvements this year. Fairview, Harvard, Malibu, Minneola, Valley Center, and Silver Valley will get various types of repairs and paving. ***Per County Road Department.***

***Yermo:*** New Fire Chief appointed; at the time of the Luncheon the Yermo Fire Department was shut down. Yermo Parade on Sept 30.

***MWA:*** 249 acre feet of water delivered to Newberry Springs and another 172 acre feet is planned. Feb 2, 2018 is the Hi Desert Water Summit. Contest again this year for Students.

***Ted:*** WIFI issue – no one source covers the area to provide adequate service. Attended the County Board of Supervisors Renewable Energy hearing. Passed with one element being sent back to land us for consideration. At the August 1<sup>st</sup> Dept of Water and Power Commission hearing the Board voted to disapprove the Cadiz Water Project. If AB1000 is passed in the California Legislature, the Cadiz project is dead. CPUC hearing July 13 re: broadband in Phelan. The community sent representatives to testify that Frontier is not giving good service. Commission allotted \$27mil to install fiber optic in Phelan.
