General Manager Report February 24, 2026

1. On February 10th we held a special meeting to interview for a new attorney, the board voted unanimously to hire David Lim with RWG law as our new General Counsel.
2. I have reached out to an Attorney in Riverside who was referred by David Lim to possibly help us with the workplace restraining order. She estimated approximately 30 hours of work. That would be around \$13,500 - \$15,000.
3. National Park Service – I spoke with Carlos last week to inquire about our final drawings; he told me that they will be done this month.
4. SDRMA was here on February 11th to meet with Daphne and I to do a Risk Control Evaluation. The meeting went well and was informative, I am getting a quote from SDRMA for Workers' Comp. Insurance. If we decide to switch SDRMA offers a ton of in-person training and we would have property/liability and workers' comp. insurance all through one company.
